

Workers clearing the clogged drain. Clearing the stagnant water at the shophouse.

LC lauded for quick response

LABUAN: The Chairman of the Labuan Chinese Chamber of Commerce Datuk Wong Kii Yii noted for his outburst against the Labuan Corporation on various issues heaped praise on LC for the swift action in clearing a messy sight at Jalan Patau-Patau shophouses (Emporium area).

Wong said "spoke to LC Director of Service Department Dato Othman Che Jusoh on Saturday at 11am and complained to him about the mess in the area

and by 2pm there was already a team of workers at the site to handle the problem."

He said they were equipped with the truck, spades and other tools to clear the clogged drainage, discarded wooden pallets, stagnant water and potholes among others.

Saying that credit should be given where it is due, Wong hoped that such energetic response would be a regular feature of LC services to the public. -
